Created by Deb Cox, Andrew Knight. With John Howard, Sigrid Thornton, Kerry Armstrong, Kevin Harrington. A big city lawyer is prompted to undergo a 'seachange' with her children and becomes the magistrate at the small coastal town of Pearl Bay, where the family comes to love its people and the quality time with each other.

## **SeaChange (TV Series 1998-2019) - IMDb**

In Australian culture, a seachange is a form of human migration that involves individuals abandoning city living in favour of a perceived 'easier life' in rural coastal communities. The term was popularised by the popular Australian ABC TV television series SeaChange, which triggered the phenomenon of many city-dwellers mimicking the drama's protagonist's escape from urban life. It ultimately comes from Shakespeare's *The Tempest*. The result of this phenomenon is a rapid boom in tourism and real
