Toshiba On-Line Users Guide for DR430
The manual covers everything, but you have to read it to understand it. I got going in 15 minutes with the QUICK START sheet (4 pgs). One important thing to remember, after you make your recording on a disk, you have to FINALIZE it, so it will play on other DVD players. Remember to read up on FINALIZE in the manual, and you should have no problems.

Amazon.com: Toshiba DR430 DVD Recorder: Electronics
No, the number one cause of complaints is the manual, which is poorly written and I'm putting that mildly. It's as if Toshiba tried to save some money by refraining from hiring a tech writer and instead funneled their native language instructions through Google's translator. Nevertheless, do try to read the manual.

Amazon.com: Customer reviews: Toshiba DR430 DVD Recorder
The manual doesn't resemble the actual HD cable box set up but by following and thinking through the connection flow I was able to adapt Toshiba's flowchart to the actual cable locations. In one day I have been able burn off the TV, play DVD's and sync the system.
