Grade 4 Mathematics Practice Test - Nebraska

Everyday Mathematics provides many assessment tools that can be used both for planning instruction (formative assessment) and for assigning grades (summative assessment). Almost all of the information from these tools can be useful for planning instruction; assessment opportunities that can also be useful for grading are often labeled "fair to grade."

Assessment and Grading - Everyday Mathematics

This is to be used as a diagnostic test. Thus, you may even skip those areas and concepts that you already know for sure your student has mastered. The test does not cover every single concept that is covered in the Math Mammoth Grade 4 Complete Curriculum, but all the major concepts and ideas are tested here. This test is evaluating the child ...
