The idea of a law of ultimate justice over and above the momentary law of the state—a higher law—was first introduced into post-Roman Europe by the Catholic canon law jurists. " Higher law" can be interpreted in this context as the divine or natural law or basic legal values, established in the international law —the choice depending on the viewpoint; no matter the source, it is a law ...

Rule according to higher law - Wikipedia

Higher law is a set of laws that establish or limit the power of the government. Characteristics of higher law are 1. lists basic rights of life, liberty, and property, 2. Establishes the responsibility of the government to protect these rights, 3. places limits on how people may use their powers like: citizens rights, how resources are distributed and how conflicts are handles, 4.
