All focusing of the RCX 400 is performed digitally, using AutoStar II's Focus key (number key 4). The Focus key functions as a toggle key: J Press the Focus key the first time to focus the telescope and to control the speed at which you focus. J Press the Focus key again to set and adjust up to nine focus presets.

Never use a Meade RCX400 Telescope to look at the Sun! Looking at or near the Sun will cause instant and irreversible damage to your eye. Eye damage is often painless, so there is no warning to the observer that damage has occurred until it is too late. Do not point the telescope or its viewfinder at or near the Sun.
