What is the affective domain? How do we address the affective domain?

Strengthening Student Success - Accelerating Academic ...

community colleges are experimenting with strategies for accelerating the progress of students needing remediation, particularly those who are near the "college-ready" level of preparation (Bailey, 2009). In some cases, colleges combine developmental courses at different levels, thus reducing the number of courses students have to take.

A Model for Accelerating Academic Success of Community ...

Acceleration, which involves the reorganization of instruction and curricula in ways that facilitate the completion of academic requirements in an expedited manner, is an increasingly popular strategy at community colleges for improving the outcomes of developmental education students.

Accelerating the Academic Achievement of Students Referred ...

Academic progress is evident. Students perceive they're in the "slow class," and self-confidence and engagement decrease. Backward movement leads to a sense of futility and lack of progress. Basic skills. Skills are hand-picked just in time for new concepts. Students apply skills immediately. Instruction attempts to reteach every missing skill.
