Child labour in India - Wikipedia

A number of occupations became "professionalized" through the 19th and 20th centuries, gaining regulatory bodies, and passing laws or regulations requiring particular higher educational requirements. As women's access to higher education was often limited, this effectively restricted women's participation in these professionalizing occupations.

Apartheid (South African English: / ə ' p ɑ : r t eɪ d /; Afrikaans: [a'partɦeɪt], segregation; lit. "aparthood") was a system of institutionalised racial segregation that existed in South Africa and South West Africa (now Namibia) from 1948 until the early 1990s. Apartheid was characterised by an authoritarian political culture based on baasskap (or white supremacy), which ensured that ...

Law is a system of rules created and enforced through social or governmental institutions to regulate behavior, with its precise definition a matter of longstanding debate. It has been variously described as a science and the art of justice. State-enforced laws can be made by a group legislature or by a single legislator, resulting in statutes; by the executive through decrees and regulations ...

Mining is the extraction of valuable minerals or other geological materials from the Earth, usually from an ore body, lode, vein, seam, reef, or placer deposit. These deposits form a mineralized commodity that is of economic interest to the miner. Ores recovered by mining include metals, coal, oil shale, gemstones, limestone, chalk, dimension stone, rock salt, potash, gravel, and clay.
