The Big Pivot Radically Practical

“a practical, working handbook for teams, organizations and corporations to “recreate their operations to succeed within the scientific reality of a hotter, wilder, more radically open world. With a certain climate-challenged future ahead of us, The Big Pivot gives us a realist's path to making sure it's a prosperous one, too.”

Amazon.com: The Big Pivot: Radically Practical Strategies ...

"The Big Pivot" puts forward nothing less than a vision and strategy for the future of the business enterprise. After laying the foundation for why we need a different mindset in business, it describes three key pivots that business leaders need to make regarding business vision, valuation and partnering.
