Göring wanted to advance Hermann Göring, and he had joined the Nazis to lead a rising party. His self-interest was notable even compared with other narcissists. The Nazi leader possessed the most undiluted self-centeredness Kelley had ever experienced.

The Psychiatrist and the Nazi - HistoryNet

The main psychiatrist,

Get Free The Nazi And Psychiatrist

Dr. Douglas Kelley, tries to locate "the nazi gene" that these defendents share that would possibly help in preventing such nazi horrors from reoccurring. Hermann Goring, the senior most nazi in custody, is also the most flamboyant personality. It is Goring that commands much of Kelley's attention.
